

EC Motors & Drives

ACR Series Multi Fit Refrigeration Motors

- Four Mount Points
 - * 18mm Fixing Centres
 - * 26mm Fixing Centres
 - * 3 x M4 Tapped Holes Front & Rear
 - * 4 Extended Bolts for Fan Ring Mount
- Sealed Ball Bearings Tested For Quality & Noise
- 900mm 3Core Cable As Standard
- CE & RoHS Compliant
- VDE Approved to EN60335-1*

EC Motors & Drives range of 'Multi Fit' replacement motors have been designed and tested to meet the approval of their 'In-House' Engineers exacting standards.

Between them they have over 100 years experience in shaded pole motor design.

*VDE Certification and Testing Institute is an independent European testing facility ensuring the safety of electrotechnical products.

Part Number	Description	Rated Amps
ACR18267	7 Watt Multi Fit Fan Motor	0.23
ACR182610	10 Watt Multi Fit Fan Motor	0.25
ACR182616	16 Watt Multi Fit Fan Motor	0.45
ACR182625	25 Watt Multi Fit Fan Motor	0.7
ACR182634	34 Watt Multi Fit Fan Motor	0.85

Each motor is individually packed. 230V 50Hz 1300 RPM - Motors are tested to 264volts
